

# Steve Bailey-Mid Days

Steve was born and raised in Pasadena, Texas (GO TEXANS!) and knew when he was 5 that he wanted to grow up and be in radio. KTLT/Houston was his favorite station when he was a kid and he listened to the jocks and their styles more so than the music. The most fun Steve has had in his career has been in small towns across Texas like Tyler, Kilgore, Mt Pleasant, McAllan, Wichita Falls and Abilene. Steve says he is proud to be a part of KBCY. Texas Best Country, in Abilene and appreciates the listeners, for allowing him to be part of their workday. Contact Steve by [email](#) or on [Facebook](#)
